Flexible Engagement Models:

- **Per-Asset Pricing:** Individual deliverables at rates listed above.
- **Project-Based:** Custom packages for complete project scopes with bundled pricing.
- **Extended Team (Monthly Retainer):** Dedicated team members working alongside your studio (contact for rates).
- **Hourly Support:** Flexible hourly engagement for ongoing assistance.

Volume Discounts Available: For projects requiring multiple assets or long-term engagements, we offer attractive volume discounts. Contact us to discuss your specific needs and receive a customized quote.

TERMS & CONDITIONS

- **Payment Terms:**
 - Small projects (< \$2000): 50% advance, 50% on delivery.
 - Large projects (> \$2000): 40% advance, 30% at milestone, 30% on delivery.
 - Monthly retainers: Net 15 days payment terms.
- **Revisions:** Up to 2 revision rounds included per deliverable. Additional revisions charged hourly at \$30/hour.
- **Delivery Formats:** Industry-standard formats (FBX, OBJ, Blend, PSD, source files) tailored to your engine and pipeline requirements.
- **Asset Ownership:** Full commercial rights transferred to client upon complete payment. We retain right to showcase work in portfolio unless NDA specifies otherwise.
- **Timeline:** Project timelines provided with each custom quote. Rush delivery available with 25% premium.
- **Quality Assurance:** All assets tested in target game engine before final delivery.
- **Communication:** Regular progress updates, milestone reviews, and direct communication channels with assigned team members.
- **NDA & Confidentiality:** We're happy to sign NDAs and maintain strict confidentiality for all client projects.
- **Rate Validity:** Rates valid for 90 days from issue date. Currency conversion at current exchange rates.

Getting Started: To receive a detailed project quote based on your specific requirements, please share your project brief, reference materials, target style, and timeline. We'll respond within 24 hours with a customized proposal.

This rate card is for reference purposes. Final quotes provided based on project scope.
